

Lend a Hand

*You can help make this holiday
season just a little happier for
an elderly local resident*

The elderly in our community have been hit especially hard by the effects of the current COVID-19 crisis. Some have had to endure months of quarantine without visits from family and friends. This isolation has left them craving contact with life outside the confines of their residence. The Reesman Company, along with the other generous local businesses listed below, have donated to help provide free subscriptions to the Burlington Standard Press for residents at The Bay in Burlington Health and Rehabilitation Center. You can help too. Every dollar received will be matched by Southern Lakes Newspapers to help underwrite the cost of mailing our community newspaper to these quarantined residents. And, it's easy to give. Just call or fill out the form at right.

Thank you!
